UCSF Vascular Symposium 2024

Silverado Resort and Spa • Napa, California
Sunday - Tuesday **August 11-13, 2024**

COURSE OVERVIEW

The 2024 UCSF Vascular Symposium will again feature the latest advances across the full spectrum of vascular diseases, starting with a multi-disciplinary limb salvage program on Sunday. The aortic sessions are a joint program with our colleagues from Stanford and will feature critical issues in aortic disease management. We have designed a fast-paced program including debates, interactive case discussions, and expert panels with an outstanding faculty from across the country. Please join us for an exciting educational and networking event at the beautiful Silverado Resort in Napa, California.
